

## Science Lab / Help Schedule Quarter 3

- If you are coming to school to do a science lab, you will wait outside the back doors by the science lab and the teacher will let you in. You must wear a mask, use hand sanitizer and use the binder in the Science Lab to sign in.
- If you are wanting to attend a zoom block, simply click on the name of the teacher to be taken to their Zoom room. You will be in the waiting room until it is your turn to get help, so you may need to be patient.
